

About Us:

With a humble beginning as a start-up company, **Unison Engineering** initiated its business in 2022. We got registered as a MSME in NSIC and GST. Company is located in a commercial hub city Ahmedabad, Gujarat. We are having experience of Design & Manufacturing various Heavy Engineering, Material handling equipment and Stainless Steel fabrication jobs. Also we are providing engineering consultancy for special development projects.

Core Values:

We always believe in 3 core values while trading QCD

Quality, customer always pays for delivering right product so that there is no or minimum rework.

Cost, your price directly affects the total cost of the client's budget/total cost.

Delivery, this is an era of prompt delivery if a pizza can be delivered in 30 minutes, why not we can deliver!

Experience:

The core team has experience of more than 10 years in Design, Development & Execution of various Heavy Engineering & Specialised equipment detailed as below:

- Sheet Metal Fabrication
- Machining items
- Reverse Engineering
- Bulk Material Handling Equipment like Belt Conveyors, Screw Conveyors, Sampling Systems.
- Spiral Classifiers & its spare like submerge bearing, minimaxing blades & etc.
- Stainless Steel equipment, Vessels etc.

Major Executions:

- Auto Sampler Core: JSPL Angul – 2200 TPH
- Auto Sampler Cutter Assembly – Grasim, Kumarapattanam
- Belt Conveyors for STP Plants – 600 mm Belt Width for Voltas Ltd.
- Development of Drum Screen for STP-Apollo Screens Pvt Ltd.
- And many more

Our major clients:-

- Adani Power Ltd.
- Jindal steel.
- Apollo Screens Pvt Ltd.
- Gujrat Apollo industries Ltd.
- Grasim Industries Ltd.
- Indtex engineers Ltd
- Filter concept Pvt Ltd.
-

With a small group of 5 members and an execution team which work in close connection to execute the job. By achieving the values to company we have reached to this position and are confident to deliver any task taken in hand.

We hope our competency will give you enough confidence on our ability to supply the products that will meet the requirements and deliver desired performance and will enable you to approve us as a qualified supplier.

Thanking you & assuring our best service all time.
